2022 USITCC Regional Highlights & Winner Circle

The Department of Information Technology and Cybersecurity in the College of Business of Missouri State University held the US Information Technology Collegiate Conference (USITCC) Regional Student Competition October 20-22, 2022, in Springfield, MO at the Missouri State University campus. The event could not be successful without the following sponsors:

Event Sponsors: Kiewit Technology Group, Missouri State University MS in IT program, Missouri State University College of Business Graduate Programs (MS Cyber, MBA, and MACC), ConocoPhillips, KPMG, Next Level Solutions, Springfield Tech Council, and the Foundation for IT Education (FITE).

Attendance: **76**   Student Attendees
27   Faculty Attendees
 11   Sponsors and Exhibitors
114   Total Attendance from **7** Colleges & Universities among **3 States**

Merit Award: **Top "Performing School" Award**

Missouri State University win the **1st place overall** based on this weighted scale:
- 6 points: 1st place awards
- 4 points: 2nd place awards
- 3 points: 3rd place awards
- 1 point: Honorable Mentions

Texas State University and University of Houston placed 2nd and 3rd.

A total of eight (8) IT competition events were available for the student attendees to choose from, each of which was staffed with a volunteer contest coordinator and judging team. The problem statements were similar to the National USITCC events, but with a limited scope to reflect the shorter contest timeframe. Students competing in those contests gained valuable experience and the winners were presented with trophies, certificates, and a winner photo showcasing their IT skills among peers. **Congratulations to all the participants!**
